
Title: A Diary.

Author: † Brother Allanis †

Day 1

I fear not this
incarceration, for I was
only spreading the
testament of my lord the
Archlich. The fools of
Trinsic only think they've
seen the last of him, but
I know better. I know
better.

Day 4

The incessant howling and
screaming of my fellow
prisoners is truly
beginning to grate on me.
These Britannians think
their prison so humane,
so compassionate. Give me
the dark horror of a
dungeon like Deceit any
day.

Day 23

I killed another prisoner
today. A loose rock from
one of the walls is all it
took. His blood tasted
bitter.

Day 33

This morning through the
solid rock walls I heard
the howl of the wraith..
The signal is given! The
preparations are ready!
